### Prayer Partners

This year we would like to pair up each of our 5<sup>th</sup> graders with an adult in our parish to be prayer partners. The only real commitment you would have would be to pray for this child and be prayed for by this child. At some point during the school year we will have a prayer service and you will have the opportunity to meet with your prayer partner if you wish to come. If this is something you would like to be a part of, please call us at 781-826-2351 and give us your name and phone number and we will contact you with a child's name.

### We still need volunteers

Are you able to stay and be a hall monitor while your child is in class, or perhaps be willing to be on a substitute list if your child's teacher is absent? Please pray about this and let us know if you are able to help in any way. Thank you in advance.

### High School Students
